Chill out after the Derby marathon at AcQUa Wellness

What's best after a

long run à la the Kentucky Derby Marathon?

A spa day. ACQUA Wellness features state-of-the-art epsom salt flotation pods and infrared saunas — perfect compliments for any athletes pre- and post-training regime.

When the athlete is in the flotation tank, the rate of recovery post physical exercise is enhanced, says ACQUA.

Infrared heat can greatly benefit the sore, damaged or tired muscles of a runner or athlete. The heat penetrates the muscles, increasing blood circulation and assisting muscle repair, according to ACQUA.

Specials for the KDF Marathon run from April 24 through May 4 and include a 60-minute Flotation Therapy for \$55; 90-minute Flotation Therapy for \$69; 60-minute Float and 40-minute Infrared Sauna Session for \$85.

Park Drive. It is open 9 a.m.-8 p.m. Monday-Thursday; 9 a.m.-9 p.m. Friday and Saturday; 11 a.m.-6 p.m. Sunday; closed Wednesday.
